Name: Peter Abram, ProductEmployee, Salary: 1650
Name: Clarinda Hynam, Manager, Salary: 1000
```

2. My Infomation

- Student ID: 20127166
- Name : Nguyễn Huy Hoàn

3.List of what I have done?

```
class RandomIntegerGenerator
{
public:
    RandomIntegerGenerator();
    static long long next(long long left, long long right);
};

class point2D
{
protected:
```

```
    int x;  
    int y;  
public:  
    point2D();  
    point2D(int x, int y);  
    int getX();  
    int getY();  
};  
  
class point3D : public point2D  
{  
private:  
    int z;  
public:  
    point3D(int x, int y, int z) : point2D(x, y)  
    {  
        this->z = z;  
    }  
    int getZ();  
    void output();  
};
```

4. List of what I haven't done?

- nothing

5. Video DEMO

<https://youtu.be/9UfMM8oSrYc>

6. Expected grade : 9.0
